

MICHAEL BERRY CAREER CENTER COLLEGE AND CAREER NIGHT

The Dearborn Public Schools Career & Technical Education (CTE) Department will be hosting a **College and Career Night** on Thursday, February 15th from 5:00pm to 7:00pm at the **Michael Berry Career Center**, located on the Dearborn Heights Campus at 22586 Ann Arbor Trail in Dearborn Heights.

All Dearborn Middle and High School students, along with their families, are invited to attend to explore all of the exciting programs available to prepare them for life after high school, how to get into college, how college works, and how you can best prepare yourself for the in-demand, high-paying jobs of tomorrow!

- Meet MBCC staff and students, tour the building and learn more about our Career and Technical Education programs in Health Science, Culinary Arts, Digital Design and Media, Business and Computers.
- Teachers from all three Dearborn High Schools will be on hand to talk about the CTE classes available to students as electives.
- Representatives from Henry Ford and several other colleges will be on hand to discuss articulated credit, college applications, financial aid and what to expect after you graduate.
- Local businesses will be on-hand to talk about the current job market, and how to best prepare yourself for current job openings right here in Dearborn.
- Members of local skilled trades organizations will talk about how you can receive high-tech training and get a great paying job, WITHOUT college loans and debt!
- Counselors and CTE staff will talk about the Michigan Merit Curriculum, and how CTE classes may meet some of the graduation requirements.
- Various student organizations will be here to talk about student leadership, competition, and how to apply what you learn in class to the real world!
- Dearborn Adult and Community Education will be available to talk about GED, ESL and training classes available to all Dearborn residents.
